With trends for 2019 expecting Dutch consumers to increasingly take trips featuring authentic experiences – we think that the ‘Het roer om’ story series provides an exciting opportunity for Dutch visitors to ‘really get to know the destination’ by coming into contact with a Dutch national and understanding their special connection with Ireland. Please view the [2018 version](#) to understand how your story and business will appear.

Tourism Ireland BeNe is keen to get in touch with more Dutch people living and working on the island of Ireland. If you are Dutch or have a Dutch person on your team, please get in contact and share your story and promote your business with us!

This opportunity is free of charge.

Please note: All materials provided will be subject to editorial control. Material provided must be of high standard; a quirky story, an eye catching value offer which appeals to the Dutch audience, accompanied by a great image. This will guarantee a higher number of clicks.
