The Private Luxury Forum - PLF - has become the leading event space creating an exclusive environment where the world's most luxurious suppliers connect and forge business with the most influential luxury travel buyers.

This B2B forum (workshop and networking events) is ideal for luxury hotels, exclusive luxury accommodations, exclusive luxury experiences, DMCs, golf & spa resorts to promote and sell their product to European luxury buyers. The event includes 40 dedicated one to one quality meeting appointments over 3 days and the chance to network at all meals, breaks and activities with 80 luxury buyers the majority from Western Europe, 19% from the United Kingdom, 12% from Germany and 12% from France as well as a spread of markets including Russia and Eastern Europe.

All appointments are made prior to the Forum. Both buyers and suppliers submit their preferred choices. The appointments software ensures you get to see the buyers you have requested to meet - and who are eager to meet you.

Buyers will include private travel designers, travel consultants, high-end travel agencies and tour operators, lifestyle management and concierge services. The buyers are the very best in the leisure travel industry.
