IFTM Top Resa is the major French Travel B2B event which takes place in Paris annually, and allows Irish industry and French travel trade professionals to network and build professional connections. The three-day show provides a platform for discussion between industry partners and trade through one-to-one meetings.

Possibility of hybrid set-up (physical stand and digital platform), as in 2021.

In 2022 we anticipate expanding the stand to accommodate up to 12 industry partners. For those who do not secure a spot on the stand due to space and hygiene (Covid) constraints, digital opportunities will be available.
