Tourism Ireland Spain trade communications in 2022 will include a limited number of dedicated e-zines which focus exclusively on one industry partner. This e-zine will be sent to our database of 960+ Spanish travel agents and tour operators.

E-zines feature product news from island of Ireland and market trade, aimed at keeping Ireland top of mind and motivating retail travel agents to sell Ireland to their clients.

The dedicated e-zine is made up of 2 paragraphs which can include a company description and an offer. It will also include your company logo, a photo and a direct link to your website.

To sign up for this opportunity please send us the following:

- 120 words text/offer recommended (2 short paragraphs)
- logo and/or image
- dedicated tagged link (this optimises the consumer journey and pushes enquiries and bookings directly from the ezine)

Subject to editorial control.

It is advisable that the partner also supplies a dedicated Spanish language page within their site where possible, as this will optimise the browsing experience.

This is a limited opportunity available on a first come first serve basis.
