International Golf Travel Market (IGTM) is the meeting place for the global B2B golf travel community. Over 400 golf tourism suppliers join up to 350 pre-qualified buyers and international media for four days of pre-scheduled appointments, networking opportunities and industry updates.

We hope to have a strong Irish presence once again at IGTM 2022. The Golf Ireland stand will accommodate 16 individual IOI industry partners. As part of your participation, partners will be listed in the official IGTM Event Directory and receive a diary of pre-arranged appointments. These appointments are organised through the IGTM in-house system 1 month before the event. We expect up to 350 international buyers to attend and as part of the appointment making process you will have the opportunity to make up to 50 requests for meetings with the buyers. Participants will also be able to avail of networking opportunities at the Golf Tournament and the evening programme.

The following will be required for the stand presentation: High res company logo, head shot of attending representative 3 high res images promoting partners product.

The full cost of participation at this event is €3,640/£3,130. Tourism Ireland intends to cover 75% of this participation fee. Therefore the balance due per partner is €910/£783. Successful applicants will also be eligible to apply for the 75% T&S support, subject to terms and conditions.
